CLASS DESCRIPTIONS

KETTLEBODY

Build muscle and burn fat by combining kettlebell and bodyweight exercises for a high intensity full body workout that will result in you having a leaner, stronger, and well-conditioned body all within 30-minute. Class that goes non-stop.

CYCLING

Join us for this 30-minute, fun music filled, mega calorie burning ride. Train your cardiovascular and strength endurance to improve your PRT scores! Great for all fitness levels.

YOGA

Yoga can help lengthen and strengthen the whole body through breathwork and flow movements that help to improve your mobility and reduce risk for injury.

SHRED

A 30-minute high intensity workout that is perfect for anyone who wants to get a toned physique, lose body fat %, maximize athleticism, and improve conditioning. It's based on metabolic conditioning circuits that include explosive exercises like jump squats and medicine ball throws and also speed and agility drills using cones and ladders. These workouts are designed to leave you shredded.

MISSION NUTRITION

A one-hour mini course that offers a variety of every day nutrition topics and ways to improve your eating habits as well as your overall health.

*NOTE: The full standardized Mission Nutrition course consist of 12 modules. These mini courses cover one module per class. Participant must complete all (12)-modules in order to receive full credit for course.

FITNESS BRIEF

Want to learn about our MWR Fitness programs and services? Join us as we will go over the facility layout and amenities, highlighting key areas like cardio, strength training, free weights, functional zones, locker rooms, and exits. A demonstration on how to use cardio machines, followed by instructions on strength and resistance equipment. Also includes a review of functional areas such as mats and resistance bands, plus locker room etiquette.

OPEN COMMAND PT

A Physical Training class open to all commands. There will be strength training, endurance and recovery. Perfect for small commands that do not meet size requirements for recurring reservations. No need to sign up beforehand. If your command is larger than 20 people, it is recommended to call ahead.

RUN/WALK CLUB

Open to all fitness levels, from beginner to advanced. Just a simple meet up to walk/run around the track. Walkers/Strollers are welcome.

PILATES

Introduces foundational core-strengthening exercises on a mat, focusing on controlled movements, proper alignment, and breathwork to improve posture and flexibility.

HIIT

Cardio conditioning is based on speed and agility drills, plyometrics, circuit training, high-intensity interval training (HIIT), and tabata-style. Strength training with the barbell and/or your body weight along with intense core focus rounds out this cardio-crushed, fat-burning class.

LIFT + RUN HYBRID

Our LIFT + RUN HYBRID class builds a stronger, faster you by combining weightlifting and running into a single, efficient workout. In each session, you will build muscle and improve your cardio, making this the perfect training for fitness races like HYROX and Deka Fit. By developing both strength and endurance, you'll get a balanced, full-body workout that helps prevent injuries and is scalable for all fitness levels.

Recommendations: Please arrive 5 minutes before scheduled start time. Bring a water bottle, towel and mat.
